

Team 1478

Bryan, Deming

The Highway

Motivation

Interested in how games are made and deployed on the web.

Played a game which is similar to what we are making
Decided we wanted to make an endless runner game

Not easy to make games but we wanted to try anyway

Summary

Endless Runner game

Avoid obstacles by moving left and right, jumping or dash.

There are three levels (Highway, Dungeon and Skytrain)

The aim is to get the highest score (leaderboard available!)

Features

Movement Mechanics :
